

INTRODUCTION TO NORTH COUNTRY GOLF, INC

North Country Golf, INC was formed in October of 2016 with the intent of purchasing and operating Carlowden Country Club. Being a group that has enjoyed rounds of golf at Carlowden, we were excited to have an opportunity to purchase this great facility. We have a strong desire to continue the rich heritage of Carlowden and make sure this country club sees its 100th birthday coming up in 2025 and many more after that. Let me introduce you to the North Country Golf, INC family.

- (1) Timothy & Tracey Yarina and their daughter of Turin and Brantingham Lake NY. Tim is the store manager and sells farm equipment and Tracey is the GM of a Paper coating mill located in Lowville NY.
- (2) Timothy & Trish Martens and their four daughters of Port Byron and Brantingham Lake NY. Tim is owner of Martens Fresh a vegetable processing plant.
- (3) Kevin & Dana Hughes and their son and daughter of Utica and Brantingham Lake NY. Kevin owns and operates Hughes Construction with both his son, daughter and son-n-law.
- (4) James & Lori Potrzeba and their two sons of Whitesboro NY. Jimmy owns and operates a commercial plumbing business in Utica.

The North Country Golf family is looking forward to meeting each of you and making your golf experience a great one at Carlowden. We welcome you into our family and would like to invite you in advance to an open house for members on Saturday April 8th in the newly remodeled clubhouse.

Thanks, and Sincerely,

Tim, Tim, Kevin and Jimmy

Dear Member

It is with our greatest pleasure to announce that Carlowden Country Club is under new ownership. With this new ownership comes some exciting new improvements to the already amazing club. We are remodeling the banquet room, adding two new restrooms to service the bar, improving pro shop and remodeling both existing bathrooms with adding shower and changing facilities.

2017 promises to be another busy year at the Club both on and off the course.

We encourage you to continue to enjoy our magnificent facility, but also to let others know about our extensive range of capabilities.

The Club has taken the initiative to distribute membership renewal invoices, which you will find included with this correspondence, and to remind you of the Open House to be held on Saturday 8th April 2017 at 12pm. Come by and meet the new ownership group while exploring the upgrades to the facility. There will be food and drinks available.
